

## LoTW: DXCC WAS VUCC Awards Accounts

Se você tem mais de uma licença, pode juntar os QSLs e credita-los na sua licença principal.

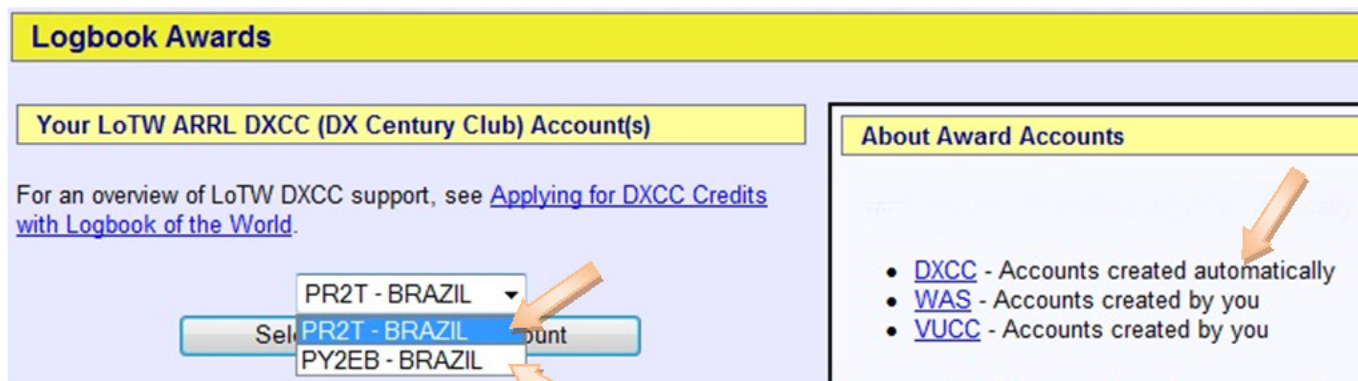

Configure o LoTW para creditar os contatos de sua antiga licença e/ou da licença especial para a sua licença atual.

### - DXCC -

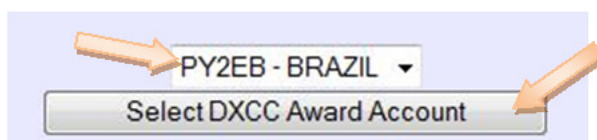

**Uma vez que você mesclou as contas, esse processo não pode ser desfeito.**

Quando você envia os contatos (QSOs) da sua outra licença para o LoTW, automaticamente o LoTW cria uma conta DXCC para ela. As contas de DXCC ficam separadas por indicativo.

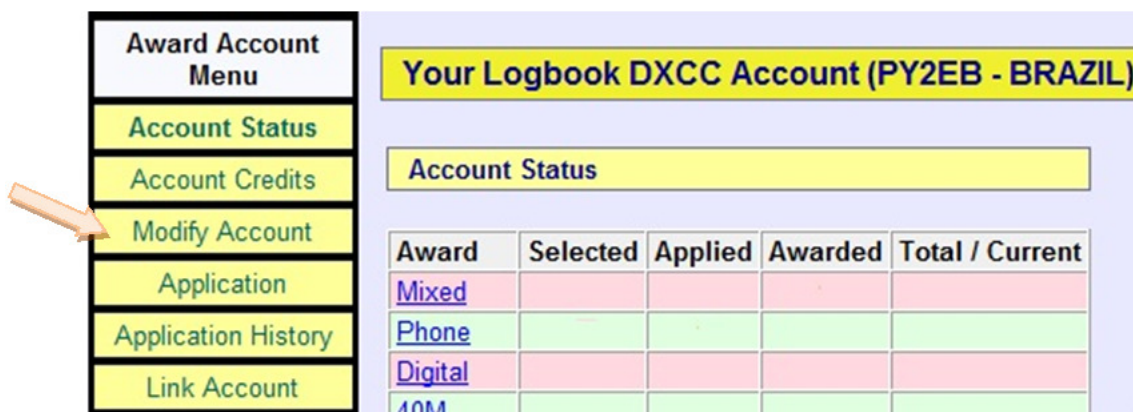

Acesse o site do LoTW e clique em 

Para juntar: Selecione a licença principal e clique no botão: **"Select DXCC Award Account"**

Na próxima tela clique em: **"Modify Account"**

Award	Selected	Applied	Awarded	Total / Current
<a href="#">Mixed</a>				
<a href="#">Phone</a>				
<a href="#">Digital</a>				
40M				

Clique em: **"Set as default DXCC account"**

### Selecione a licença especial

(se tiver mais de uma licença, selecione todas, ou refaça o procedimento para cada uma)

Clique em: **"Submit Modifications"**

**Your Logbook DXCC Account (PY2EB - BRAZIL)**

**Modify Account**

Account Name:  
PY2EB - BRAZIL

Set as default DXCC account

Select account(s) to merge into:  
PY2EB - BRAZIL  
(Optional)  
PR2T - BRAZIL

Submit Modifications

### Você não poderá desfazer a junção de contas DXCC.

Na próxima tela clique em: **"Merge Accounts"** (ou Cancel para desistir)

**Your Logbook DXCC Account (PY2EB - BRAZIL)**

**Merge Accounts**

You have elected to merge the following account(s):

- PR2T - BRAZIL

into account:

- PY2EB - BRAZIL

Be very sure this is what you want to do. Doing this will cause the credits from all of these accounts to be applied to a single DXCC record.

**Once you merge these accounts *the merge cannot be undone!***

## - WAS -

A conta de WAS não é criada automaticamente, e clique em

**Awards**

### Você pode desfazer ou deletar as contas WAS (diferente do DXCC)

Selecione o indicativo e clique em: **"Select WAS Award Account"**

Se não aparece nada no campo do indicativo, clique em: **"Create New WAS Award Account"**

Coloque seu indicativo, selecione: **"Set as default WAS account"** e clique em **"Save account changes"**

Por enquanto sua conta WAS esta vazia, agora você precisa criar regras para creditar os QSLs na sua conta.

Após selecionar a conta WAS, clique em: **"Modify Account"**

Award	Selected	Applied	Awarded	Total

\* = Award has been issued

Clique em: [Add rule to QSO Set](#)

**Award Account Menu**

- Account Status
- Account Credits
- Modify Account**
- Application
- Application History
- Link Account

**Your Logbook WAS Account (py2eb)** [Delete this Account](#)

Account Name: py2eb

Set as default WAS account

[Save account changes](#)

[Add a QSO Set to this WAS account](#)

[Include QSOs matching...](#) [Delete this QSO Set](#)

No QSOs

[Add rule to QSO Set](#)

Opção para deletar a conta WAS

Em Rule Type, seleciona a opção: **“Call sign”** depois clique em: **“Add Rule”**

**Award Account Menu**

- Account Status
- Account Credits
- Modify Account**
- Application
- Application History
- Link Account

**Your Logbook WAS Account (py2eb)**

[Include QSOs matching...](#) [Delete this QSO Set](#)

No QSOs

Rule Type: **Call sign** [Add Rule](#)

Selecione o primeiro indicativo, e clique em: **“Change”**

**Award Account Menu**

- Account Status
- Account Credits
- Modify Account**
- Application
- Application History
- Link Account

**Your Logbook WAS Account (py2eb)**

[Include QSOs matching...](#) [Delete this QSO Set](#)

Your Call sign = **PY2EB** [Change](#)

Você retornará a tela anterior, clique novamente em: [Add rule to QSO Set](#)

**Award Account Menu**

- Account Status
- Account Credits
- Modify Account**
- Application
- Application History
- Link Account

**Your Logbook WAS Account (py2eb)** [Delete this Account](#)

Account Name: py2eb

Set as default WAS account

**NOTE! Unsaved rule changes have been made**

[Add a QSO Set to this WAS account](#)

**Include QSOs matching...** [Delete this QSO Set](#)

Your Call sign = PY2EB [Delete rule](#) [Edit rule](#)

[Add rule to QSO Set](#)

Novamente escolha: **"Call sign"** depois clique em: **"Add Rule"**

(faça esse procedimento para todos os seus indicativos)

**Award Account Menu**

- Account Status
- Account Credits
- Modify Account**
- Application
- Application History
- Link Account

**Your Logbook WAS Account (py2eb)**

**Include QSOs matching...** [Delete this QSO Set](#)

Your Call sign = PY2EB

Rule Type: Call sign

Selecione seu outro indicativo e clique em: **"Change"**

**Award Account Menu**

- Account Status
- Account Credits
- Modify Account**
- Application
- Application History
- Link Account

**Your Logbook WAS Account (py2eb)**

**Include QSOs matching...** [Delete this QSO Set](#)

ALL of these rules: ([change ALL to ANY](#))

Your Call sign = PY2EB  
AND Your Call sign = PR2T

Após adicionar as regras para todas as licenças que você possui, clique em **(change ALL to ANY)**.

A opção será alterada para (change ANY to ALL) e a regra aparecerá com "OR" (como abaixo).

The screenshot shows the 'Your Logbook WAS Account (py2eb)' page. On the left is a menu with options: Award Account Menu, Account Status, Account Credits, Modify Account, Application, Application History, and Link Account. The main content area includes: 'Your Logbook WAS Account (py2eb) Delete this Account', 'Account Name: py2eb', a checkbox for 'Set as default WAS account' (unchecked), a 'Save account changes' button, and a red note: 'NOTE! Unsaved rule changes have been made'. Below this is a link 'Add a QSO Set to this WAS account' and a yellow box containing 'Include QSOs matching... Delete this QSO Set'. The 'ANY of these rules: (change ANY to ALL)' link is highlighted with an orange arrow. Below it, two rules are listed: 'Your Call sign = PY2EB' and 'OR Your Call sign = PR2T', with 'Delete rule' and 'Edit rule' links for each. A second orange arrow points to the 'OR' separator. At the bottom is a link 'Add rule to QSO Set'.

Para finalizar, selecione: "Set as default WAS account"

**Depois clique em: "Save account changes", para gravar as modificações.**

This screenshot shows the same 'Your Logbook WAS Account (py2eb)' page, but with the 'Set as default WAS account' checkbox checked. An orange arrow points to the checkbox. Another orange arrow points to the 'Save account changes' button. The rest of the page content, including the menu, account name, rules, and notes, remains the same as in the previous screenshot.

## - VUCC -

Clique em: **"Create New VUCC Award Account"** e siga os mesmos procedimentos do WAS.
